TO WHOM IT MAY CONCERN:

We are glad to inform you that **Mr. SIDDHANT JAIN** from MAHARAJA AGRESEN INSTITUTE OF TECHNOLOGY (GGSIPU), DELHI, has successfully completed his internship at Sopra Steria from 12th June 2018 to 10th August 2018.

During his internship, he was exposed to the various activities in the Automation Product and Services Division and found him extremely inquisitive and hard working. He was very much interested to learn the working of our core division team and also willing to put in the best effort and get into the depth of the subjects to understand better.

His association with us was very fruitful and we wish him all the best for his future endeavors.
